<b>Question 1</b>	<b>Carl Warnell to ask Cllr Tim Hoskin, the Executive Member for Environmental Sustainability</b>
<p>I notice the Simplifying Recycling legislation proposed by DEFRA in October 2023 has been published today (9th May 2024) and contains requirements for a single commingled dry waste bin and at worst, fortnightly collection of residual waste bins (more regular preferred). Could the executive member explain how this impacts the 2025 waste recycling and street cleansing contract (discussed in the Extraordinary Executive meeting on 21st December 2023) from both a financial and non-financial perspective?</p>
