

EAST HERTS COUNCIL

COUNCIL – 6 JULY 2011

PETITIONS

(B) Chantry Resident Permit proposal

The following petition, comprising 350 signatures, has been submitted by Mr N Richards, Practice Manager, Bishop's Stortford Veterinary Hospital:

*We the undersigned would like to object in the strongest possible terms to East Hertfordshire's proposals not to allow Bishop's Stortford Veterinary Hospital to have residents visitors vouchers (short stay) and residents visitors vouchers (short stay for pensioners), within the proposed parking Zone B7.*

*The current proposals do not allow adequate provisions for short stay parking whilst visiting the Hospital, it will restrict access to the Hospital and could seriously compromise our ability to seek emergency care for our pets.*

Note

Members are reminded that the lead petitioner is permitted to address Council for up to three minutes. The relevant Executive Member will respond to the petition. There is no provision for any general debate by Members, however, local ward Members may comment if they wish.
