

## **East Herts Council – Non-Key Decision Record**

**Record of executive decision made by an individual under Regulation 13 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012**

**Reference Number: NKD26/03**

**Taken by: Councillor Tim Hoskin, Executive Member for Environmental Sustainability**

### **Decision**

- A) The advertisement of the Traffic Regulation Order be approved; and**
- B) Should minor objections be received during the Traffic Regulation Order consultation process, officers be authorised to resolve these objections; and**
- C) Approve the making of the Order so that it can be implemented.**

### **Date of Decision**

10<sup>th</sup> February 2026.

### **Reason(s) for decision**

East Herts council has powers devolved by Hertfordshire County Council to introduce Resident Permit Parking Schemes. Residents have confirmed through the informal consultation results that they seek the council's assistance to improve parking through the introduction of suitable controls in the form of a Resident Permit Parking Zone. Extensive consultation has taken place with residents to get to these proposals and the scheme proposed reflects a majority of their preferences. We therefore do not expect any new or different feedback to emerge through the statutory advertisement process.

### **Details of alternative options considered and rejected**

Do nothing/ do not progress the proposals. Not recommended due to the current impacts of the amenity of the area for residents, demonstrably present due to high levels of documented non-resident parking stress
