Introduction

This plan supports the Councils [Anti-Fraud Corruption Strategy 2021 - accessible.pdf](#) by ensuring that East Herts Council, working in partnership with the Hertfordshire Shared Anti-Fraud Service and others, has in place effective resources and controls to prevent and deter fraud as well as detect and investigate fraud that occurs.

The Council's policy statement on fraud and corruption states it aims are:

- **Be clear that the council will not tolerate fraudulent or corrupt acts and will take firm action against those who defraud the authority, who are corrupt or engage in financial malpractice.**
- **Provide a consistent framework for managers and Members, which enables effective deterrence, prevention, detection and investigation of fraud and corruption.**
- **Detail the responsibilities of employees, management and Members with regards to fraud and corruption.**
- **Assist the Head of Strategic Finance and Property in the fulfilment of the role as the council's Section 151 Officer and the Head of Legal and Democratic Services in the role as the council's Monitoring officer.**
- **Explain the role of council officers in relation to the prevention of fraud and actively promote a culture of openness and honesty in all dealings. (The council has Codes of Conduct for Members and officers.)**

This plan includes objectives and key performance indicators that support the Councils Policy and follows the latest best practice/guidance/directives from the Ministry for Housing and Local Government (MHCLG), National Audit Office (NAO), Local Government Association (LGA) and the Chartered Institute for Public Finance and Accountancy (CIPFA).

National Context.

In 2013 the National Fraud Authority stated that the scale of fraud against local government “is large, but difficult to quantify with precision”. Since 2013 a number of reports have been published including by CIPFA, NAO and Fraud Advisory Panel indicating that the threat of fraud against local government is both real, causing substantial impact (including reputational, service as well as financial) and should be prevented wherever possible.

In its Delivery Plan for 2024-2025 the Chief Executive of the Public Sector Fraud Authority stated that “*Our estimate, released in the Fraud Landscape Report in March 2024, indicates the challenge for the government in taking action on fraud against the public sector remains significant. Our estimate (including tax and welfare) is that every year between £39.8bn and £58.5bn of public money is subject to fraud and error. The more public bodies can take action on this, the more we can protect the public sector and the more money will be available for the delivery of public services*”. There are no accurate statistics for fraud loss/prevention in local government but, based on SAFS work over 10 years, it safe to say that fraud still presents a significant financial/delivery/reputational risk for all councils.

The *Fighting Fraud and Corruption Locally, A Strategy for the 2020’s*, published in March 2020 and supported by CIPFA, the LGA, SOLCACE and External Auditors provides a framework for the Council to adopt in developing its counter fraud activity and this Anti-Fraud Plan follows the guidance and recommendations of the *Strategy*. A copy of the *Strategy* can be found at <https://www.cipfa.org/services/cipfa-solutions/fraud-and-corruption/fighting-fraud-and-corruption-locally>

The *Strategy* compliments work undertaken in by CIPFA, NAO and Cabinet Office as well as the *Code of practice on managing the risk of fraud and corruption* CIPFA 2015 including the four ‘Pillars’ of **Govern Acknowledge, Prevent, Pursue** with an overarching aim of **Protect**:

For the Council this includes protecting the public funds it administers and protecting the Council and its residents against fraud and corruption including internal fraud and fraud committed by associated parties.

Anti-Fraud Plan 2026-2027

The Councils Anti-Fraud Plan will be managed by the Hertfordshire Shared Anti-Fraud Service (SAFS), but officers at all levels across the Council will have responsibility for ensuring that the plan is delivered and the Council protected against acts of fraud and corruption.

The Anti-Fraud Plan highlights specific areas of work to protect the Council against fraud and corruption. The Council also has a duty to protect the public and it does this through its work across all services and in particular by sharing information and knowledge. The Council has frameworks and procedures in place to prevent fraud and encourage staff and the public to report suspicions of fraud.

The Anti-Fraud Plan for 2025-2026 follows the guidelines and checklists contained in the *Fighting Fraud and Corruption Locally Strategy* and progress against this will be reported to senior management and the Councils Audit Committee. A break-down of work included in the Plan can be found at **Appendix A** along with the officers with responsibility for ensuring the plan is delivered.

SAFS Resources 2026-2027

Anti-Fraud Arrangements

East Herts Council is a founding member of the Hertfordshire Shared Anti-Fraud Service (SAFS) and this service has provided the majority of the anti-fraud arrangements for the Council since April 2015. The SAFS Partnership, as well as East Herts Council, includes Stevenage Borough Council, Broxbourne Borough Council, Hertfordshire County Council, Luton Borough Council, North Herts Council, Hertsmeare Borough Council and Welwyn and Hatfield Council. The SAFS Team also provides services to other public sector bodies across Hertfordshire.

The SAFS Core Service is made up of 22.5 FTE staff for 2026/27. All staff are trained and accredited specialising in fraud prevention, fraud investigation, fraud awareness, fraud risk assessment as well as proceeds of crime, anti-bribery and anti-money laundering. All staff are required to members of the Counter Fraud Profession- or working toward this via professional qualification or apprenticeships.

The SAFS Team has been nominated for and/or won awards for the services it provides including the ***Tackling Economic Crime Awards*** (TECAS), the ***Institute of Revenue Rating and Valuation Awards*** (IRRV), the ***Public Finance Awards*** (PFA), and ***Public Sector Counter Fraud Awards***.

In 2024 SAFS underwent an external Peer Review with a final report provided to the SAFS Board in March 2025. This report commended the service provide to the SAFS Partners and the work of the SAFS Team. In 2025 SAFS underwent an external Peer Review to ensure compliance for its membership of the Local Authority Collective as part of the Governments Counter Fraud Profession.

SAFS is a Partnership with each organisation paying an annual fee to Hertfordshire County Council for a contracted service for all Partners. SAFS, as a service, has a number of key objectives developed by its Management Board (the Board) and every Partner has a seat on that Board. For the East Herts Council, the **Head of Strategic Finance and Property** is the Board representative.

Although SAFS will provide much of the Councils operational counter fraud work Council officers are responsible for ensuring the policies, procedures, training and appropriate resources are in place to protect the Council from fraud, corruption and bribery.

Budget

In October 2025 the SAFS Board agreed fees for all Partners from April 2026. The Board also received assurance from financial modelling that the service would be sustainable, in its current form, until at least 2028.

Fees for East Herts Council for 2026-2027 have been agreed at £102,243+ VAT- this is an increase of 4% from 2025-2026.

Staffing

The full complement for SAFS in 2026-2027 is planned to be 22.5 FTE for its Core Service.

SAFS will provide 288 days (an decrease from the 298 days in 25/26) of counter fraud work, access to intelligence functions of the service, all data-matching services being offered through the SAFS Data-Hub and Herts *FraudHub* (hosted by Cabinet Office) and can call on SAFS management for liaison meetings, management meetings and three reports per annum to the Audit Committee. An Accredited Financial Investigator is available to assist in money laundering or proceeds of crime investigations.

SAFS has access to specialist IT forensics, covert surveillance and national counter fraud intelligence services provided via third parties and criminal litigation services to support the Councils legal team.

SAFS will provide fraud alerts/updates (local and national) to Council officers and senior management of all new and emerging fraud risks through its membership of anti-fraud forums and specialist providers including the Fighting Fraud and Corruption Locally Board (FFCLB) the Credit Industry Fraud Avoidance Service (CIFAS), Certified Institute of Public Finance and Accountancy (CIPFA) Finance, National Fraud Intelligence Bureau (NFIB), Fraud Advisory Panel (FAP), National Anti-Fraud Network (NAFN) and the Public Sector Fraud Authority (PFSA).
