Report Title: Overview And Scrutiny Committee - Draft Work
Programme

Ward(S) Affected: All Wards

Summary

- This report considers topics for inclusion in the Committee's Draft Work Programme. By establishing a work programme of topics for scrutiny Members are better able to plan their future workload, with an agenda which is focussed, maximising the efficacy of the scrutiny process by taking a longer term, strategic view of the issues facing the council.
- A list of topics is detailed in **Appendix A**.

RECOMMENDATIONS FOR Overview and Scrutiny Committee

(A) That the work Programme at Appendix 1, be agreed.

1.0 Background

1.1 **Appendix 1** sets out the Draft Work Programme which may be reviewed at any time. Members are reminded to complete the scrutiny proposal form when putting forward an item for the draft work programme.

1.2 A key function of the Overview and Scrutiny Committee is to hold the Executive to account for its decisions, to review existing policies and consider proposals for new policies. In doing so, it will act as the Executive's critical friend in the process. The principle power of scrutiny is to influence policies and decisions made by the Council. Its aim should be to achieve positive outcomes for local people by undertaking a thorough targeted

examination of the council's services and procedures and make recommendations for improvement.

- 1.3 It has no formal powers to make changes but where a recommendation is made to the Executive, and the Executive is required to respond to the Overview and Scrutiny Committee if it decides not to accept a recommendation and the rationale for that decision. The Centre for Governance and Scrutiny (CfGS) recommends that the Executive has to respond to any recommendation within two months.

2.0 Update

- 2.1 Topics for scrutiny at the following meetings are detailed below and are also set out in Appendix 1.

- 15 September 2026
- 10 November 2026
- 19 January 2027
- 9 March 2027

- 2.2 The Overview and Scrutiny Committee met for a workshop on Thursday 5 March 2026, to discuss potential topics for scrutiny on the work programme for 2026/27. The Executive were invited to attend to share any upcoming matters they may have that the Committee might like to scrutinise.

- 2.3 The following topics are in the work programme for scrutiny in 2025/26, some of these topics need to be refined via a scrutiny proposal form:

- Sustainable Transport – to be defined by a Scrutiny Proposal Form
- AI in Local Government and at East Herts – 15 September 2026, delayed from the 10 March 2026 meeting
- Local Government Reform – meeting in early 2027 following advice from Helen Standen (Chief Executive)
- BEAM Update (Audit and Governance Committee are considering a report on the BEAM business plan in a meeting on 30 June 2026)
- Annual Report on Council complaints
- Listening Council

- Council Tax Support Scheme 2027/28

2.4 All new up and coming strategies and policies will automatically be added to the Overview and Scrutiny Committee work programme, and Members of Overview and Scrutiny can then consider whether they wish to look at these as part of the work programme.

3.0 Reason

3.1 Members are welcome, and are encouraged, to submit a scrutiny proposal at any time. This form is available in the Microsoft Teams channel and provides Officers with sufficient information to assess if it is appropriate for scrutiny and to ensure that specific questions are addressed. A Scrutiny Flowchart is also available which explains the processes involved in submitting a Scrutiny Proposal Form. Democratic Services will then liaise with Officers and the Chairman to consider the best way forward to address the subject and complete the scoping document.

4.0 Options

4.1 The work programme will be kept under review by the Committee throughout the coming year.

5.0 Risks

5.1 The establishment of an Overview and Scrutiny Committee is enshrined in the Local Government Act 2000 (Section 9). The 2000 Act obliges local authorities to adopt political management systems with a separate Executive. Various sub sections of the 2000 Act set out the powers and duties for Overview and Scrutiny Committee including the right to investigate and make recommendations on anything which is the responsibility of the Executive. Legislative provisions can also be found in the Localism Act 2011 (Schedule 2) with options to retain or re-adopt a “committee system” Section 9B.

5.2 Potential risks arise for the council if policies and strategies are developed and / or enacted without sufficient scrutiny. Approval of an updated work programme contributes to the mitigation of risk (and Call-Ins) by ensuring key activities of the council are scrutinised.
