

# **East Herts Council Report**

## **Council**

**Date of meeting:** Wednesday, 22 July 2026

**Report by:** Councillor Mione Goldspink, Executive Member for Communities

**Report title:** The Homelessness and Rough Sleeping Review and Strategy 2026-2031

**Ward(s) affected:** All

**Summary** – This report presents the draft version of the Homelessness and Rough Sleeping Review and Strategy 2026-31 to Council for approval, following presentation to Overview and Scrutiny Committee on 9 June 2026 and Executive on 14 July 2026.

## **RECOMMENDATIONS FOR COUNCIL:**

**A) That the draft Homelessness and Rough Sleeping Review and Strategy 2026-2031, as detailed in Appendix A be approved.**

### **1.0 Background**

1.1 Under the Homelessness Act 2002 all local authorities are required to carry out a homelessness review and to develop and publish a strategy based on the review every five years.

1.2 East Herts published its first Homelessness Strategy in July 2003. This is the fifth Strategy and is due to run from 2026 to March 2031.

### **2.0 Report**

2.1 The Homelessness Act 2002 placed enhanced duties on local authorities to assist homeless and potentially homeless people. One of the key aims of the Act was to ensure that housing authorities take a comprehensive and strategic approach to managing and preventing homelessness in their districts.

2.2 The Council's last Homelessness Strategy was adopted and published in 2019 and the council and its partners have made significant progress on providing and improving services to those

people that are homeless or potentially homeless. The Strategy includes a section on the achievements by the council and its partners to improve the homeless services provided, since the last Strategy was adopted.

- 2.3 The previous Strategy covered the period 2019-2024. Delivery of review of the strategy was delayed as the post responsible for this work was not in place until September 2025.
- 2.4 Much has changed both locally and nationally since the last Homelessness Strategy was adopted. The most significant recent changes include the Renters' Rights Act 2025 and A National Plan to end Homelessness published in December 2025. The latter includes an outcomes framework for local authorities and the requirement for areas to have local targets to move from a crisis response to one focused on prevention.
- 2.5 A draft Strategy has been developed. This has 5 objectives around which the Housing Service will build its Delivery Plan. The Delivery Plan will shape the emphasis of the Housing Options Team's work for the next five years.
- 2.6 The strategic priorities in the strategy are:
- Continue to prevent and relieve homelessness at the earliest opportunity
  - Increase temporary accommodation options to improve suitability and sustainability, reducing the use of bed and breakfast accommodation
  - Continue to improve the pathways in and out of supported housing and the support available to vulnerable single people
  - Maximise the availability of affordable housing
  - Continue to provide support to reduce rough sleeping and where this occurs, ensure it is brief and not re-occurring
- 2.7 The draft Strategy was published for consultation. Customers of the homeless service were specifically asked to contribute as they had insight into any gaps in service provision they experienced and what could have been done which may have prevented their homelessness.
- 2.8 All the responses to the consultation were considered. The responses have been used to inform the strategy and action plan for 2026/27.

- 2.9 A copy of the updated Strategy is attached at Appendix A. An Equalities Impact assessment has also been prepared for the Strategy and included at Appendix B.

### **3.0 Reason(s)**

- 3.1 To enable Members to consider the draft Strategy and to ensure the Council meets its statutory requirement to have an up-to-date Homelessness and Rough Sleeping Strategy.

### **4.0 Options**

- 4.1 Accept the recommendations- RECOMMENDED for the reasons outlined above.
- 4.2 Not to accept the recommendations- NOT RECOMMENDED. As explained in 5.1 there is currently no strategy which is a statutory requirement.

### **5.0 Risks**

- 5.1 The Council currently does not have a Homelessness and Rough Sleeping Strategy, which is a statutory requirement and necessary to provide the strategic direction of the service. Approval of the Strategy would mitigate this risk.

### **6.0 Implications/Consultations**

- 6.1 Community Safety  
Yes – preventing and relieving homelessness, positively contributes to community safety.

#### **Data Protection**

None arising directly from this report.

#### **Equalities**

Yes – the purpose of the strategy is to prevent and relieve homelessness, which has implications in terms of equalities. An equalities impact assessment has been undertaken and is shown at Appendix B.
